**Chlorine** strips natural protective oils from skin, causing excess dryness, and sometimes redness and itch. Free chlorine also evaporates and you breathe it in the shower. With our chlorine-removing shower filters, enjoy significant cosmetical improvements - softer skin and silk hair!

Shower filters you will significantly reduce health risks that are caused by exposure to VOCs and THMs.

Line Shower Filter can be attached to any hand-held shower handle so you can get filtered water in the shower and keep your favorite hand held shower head!

Handheld Shower has a 4 function massage head that allows cartridges to be changed.
